

Breathe Balm

This is what it feels
like to breathe...

A smidge of Breathe Balm and you might realize you haven't been truly breathing your whole life. From elite athletes, mamas, children to the stuffy noses of the world, all have benefited from the activation of this cooling Balm. Refreshing, activating, awakening, soothing, clearing, and extremely potent, our proprietary Breathe Balm formulation means you'll never have to wonder what real breathing feels like.

Unique Transformation

What Makes It Different: Aside from the wow factor, our herbal delivery system and menthol, Breathe Balm is highly concentrated with just the right blend of herbs and essential oils known for promoting deeper breathing and relaxation.

How to Use: Apply a poppy seed sized smidge into nasal cavity, and a dime size amount onto chest. Prepare yourself for maximum O₂. For detoxing, apply to temples and back of neck before a warm shower!

Beauty Hack: Massage a wee bit onto bottom of feet before bed and enjoy the cooling sensation

Ingredients: Olea Europaea (Olive) Oil, Ricinus Communis Seed (Castor) Oil, Farm Fresh Cera Alba (Beeswax), Cinnamomum Camphora (Camphor) Leaf Oil, Mentha Arvensis, Essential Oils, Hyssopus Officinalis Infusion

Active Ingredients: Cinnamomum Camphora (Camphor) Leaf Oil – may create a calming effect and assist with inflammation.

Mentha Arvensis – May help alleviate colds and coughs

Hyssopus Officinalis – known for anti-inflammatory and antimicrobial properties, may help with respiratory issues.
