Boasted as a refreshing mood booster and restorative skin rejuvenator, this particular blend is easily a favorite loved by all.

Notable Storyline: Voted by thousands of women as their number one, “can’t live without” body product, our waterless Lotion Bar softens skin and locks in hydration all day. Unique Transformation - What Makes It Different:

Why we don't use water in our Lotion Bars...

Products containing water need preservatives, stabilizers, and emulsifiers. Many of the products on the market today list water as their first ingredient. The problem with adding water to any so called “moisturizers” is that water attracts water so the product containing water will draw the moisture out of your skin and cause dehydration. Have you ever wondered why you can apply a water based lotion to the skin all throughout the day and never achieve glowing hydration? You want hydration to come from the bathing process, locking it in with a botanical humectant that combines herbs and farm fresh beeswax for maximum health, beauty, and glowing skin.

Ingredients: Butyrospermum Parkii (Shea) Butter, Olea Europaea (Olive) Oil, Farm Fresh Cera Alba (Beeswax), Cucurbita Pepo (Pumpkin) Seed Oil, Cannabis Sativa (Hemp) Seed Oil, Coco Nucifera (Coconut) Oil, Calendula Officinalis Flower Extract, Essential Oils, Ricinus Communis Seed (Castor) Oil, Punica Granatum (Pomegranate) Seed Oil, Infused Herbs of Moringa oleifera, Rubus Idaeus (Raspberry) Leaf, Trifolium Pratense (Wild Clover), Althaea Officinalis (Marshmallow) Root, Achillea Millefolium (Noble Yarrow) Flower

Active Ingredients: Calendula Oil - Soothing, Restorative, Balancing, Softening

Pomegranate Oil - Helps increase the body's resilience after experiencing inflammation. Can increase collagen production and reduce its breakdown, thus preventing the signs of aging on skin.
